

Jonathan Majer - Publications

16 Sept 2018

References marked so, can be obtained by citing reference number in an email to Jonathan Majer (J.Majer@curtin.edu.au) or from DVD provided.

Some others can be viewed or downloaded from Curtin eSpace on:
<http://espace.lis.curtin.edu.au/>

Once eSpace is accessed, perform an Advanced search using 'Majer' as author. PDF files can be downloaded as required.

References highlighted in green are not yet available as PDF files.

1. Books (refereed)

Majer, J. D. (ed.) (1989). **Animals in Primary Succession. The Role of Fauna in Land Reclamation.** Cambridge University Press, Cambridge. 547 pp. #B1
(PDF files available from Jonathan Majer)

Agosti, D., Majer, J., Alonso, E. and Schultz, T., (eds.). (2000). **Ants: Standard Methods for Measuring and Monitoring Biodiversity.** Biological Diversity Handbook Series. Smithsonian Institution Press. Washington D.C., 20+280pp.
#B2 (PDF file available from Jonathan Majer)

Delabie, J., Fernandez, F & Majer J.(eds.) (2012). **Advances in Neotropical Myrmecology.** *Psyche* 2012. #B3 (PDF file available at <http://www.hindawi.com/journals/psyche/si/840560/>)

Gunawardene, N., Majer, J. D., Taylor, C. K., & Harvey, M. S. (eds.) (2013). **The Terrestrial Invertebrate Fauna of Barrow Island, Western Australia.** *Records of the Western Australian Museum. Supplement 83.* 406 pp. #B4 (PDF file available from Jonathan Majer)

Delabie, J.H.C., Feitosa, R., Serrão, J.E., Mariano, C.S.F. & Majer, J.D. (eds) (2015). **Formigas Poneromorfas do Brasil.** Editus, Ilhéus (Bahia), Brazil. 450 pp.
#B5(PDF file available from Jonathan Majer)Link to chapters:
<http://books.scielo.org/id/m3gqd>

Agosti, D., Majer, J., Alonso, E. and Schultz, T., (eds.). (2015). **Ants: Standard Methods for Measuring and Monitoring Biodiversity.** Farsi version translated by Mahsa Ghobadi and Mohammad Mahdavi. Nasr, Tehran. 533 pp.
#B6 (PDF file available from Jonathan Majer)

2. Proceedings and Monographs (refereed)

Majer, J. D. (ed.) (1977). **Proceedings of the Western Australian Entomology Workshop.** WAIT, Bentley. 21 pp. #P1(PDF file available from Jonathan Majer)

Majer, J. D. (ed.) (1983). **Scarp Symposium.** WAIT, Bentley. 91 pp. #P2 (PDF file available in Curtin eSpace) (PDF file available from Jonathan Majer)

Majer, J. D. (1984). **Ant Experiments.** Publication of the Science Teachers Association of Western Australia, Perth. 35 pp. #P3 (PDF file available in Curtin eSpace) (PDF file available from Jonathan Majer)

- Greenslade, P. & J. D. Majer (eds.) (1985). Soil and litter invertebrates of Australian mediterranean-type ecosystems. **WAIT School of Biology Bulletin** No. 12, 93 pp. #P4 ([PDF file available in Curtin eSpace](#)) ([PDF file available from Jonathan Majer](#))
- Majer, J. D. (ed.) (1987). **The Role of Invertebrates in Conservation and Biological Survey**. W. A. Department of Conservation and Land Management Report, 121 pp. #P5 ([PDF file available in Curtin eSpace](#)) ([PDF file available from Jonathan Majer](#))
- Agosti, D., J. D. Majer, L. E. Alonso, & T. R. Schultz, 2000. Sampling Ground-dwelling Ants: Case Studies from the Worlds' Rain Forests. **Curtin University School of Environmental Biology Bulletin** No. 18, 75 pp. #P6 ([PDF file available in Curtin eSpace](#)) ([PDF file available from Jonathan Majer](#))
- Brennan, K. E. C., O. G. Nichols & J. D. Majer (2005). Innovative Techniques for Promoting Fauna Return to Rehabilitated Sites Following Mining. Australian Centre for Minerals Extension and Research (ACMER), Brisbane and Minerals and Energy Research Institute of Western Australia (MERIWA), Perth. #P7 ([PDF file available at
http://www.acmer.uq.edu.au/research/attachments/M362PromotingFaunaReturnFinalReportMERIWAJun05R.pdf](#)) ([PDF file available from Jonathan Majer](#))
- Dias, R. K. S & J. D. Majer (eds.). (2015). Diversity, importance and conservation of ant communities in Asia. **Proceedings of the Tenth ANeT International Conference**. University of Kelaniya, Sri Lanka, 23-26 October 2015. 59 pp. #P8 ([PDF file available from Jonathan Majer](#))

3. Book Chapters (refereed)

- Majer, J. D. (1982). Ant-plant interactions in the Darling Botanical District of Western Australia. In: (ed. R. Buckley) **Ant-Plant Interactions in Australia**. Dr W. Junk, Dordrecht. 45-61. #BC1([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1982). Ant manipulation in agro- and forest-ecosystems. In: (ed. M. Breed) **The Biology of Social Insects**. Westview Press, Boulder. 91-97. #BC2([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1984). Ant return in rehabilitated mineral sand mines on North Stradbroke Island. In: (eds. R. J. Coleman, J. Covacevich & P. Davies) **Focus on Stradbroke: New Information on North Stradbroke Island and Surrounding Areas, 1974-1984**. Boolarong Press, Brisbane. 325-332. #BC3 ([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1985). Fire effects on invertebrate fauna of forest and woodland. In: (ed. J.R. Ford) **Fire ecology and management of Western Australian ecosystems**. Western Australian Institute of Technology, Perth. 103-106. #BC4([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1985). Invertebrates. In: **Worsley Alumina Project. Flora and Fauna Studies Phase Two**. Worsley Alumina Pty. Ltd., Perth. 133-175. #BC5([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1986). Utilising economically beneficial ants. In: (ed. S. Bradleigh Vinson) **Economic Impact and Control of Social Insects**. Praeger, New York. 314-331. #BC6 ([PDF file available from Jonathan Majer](#))

- Majer, J. D. (1987). The conservation and study of invertebrates in remnants of native vegetation. In: (eds. D. Saunders, A. Burbidge & A. Hopkins) **Nature Conservation: The Role of Remnants of Native Vegetation**. Surrey Beatty & Sons, Sydney. 333-335. #BC7 ([PDF file available from Jonathan Majer](#))
- Majer, J. D. & I. Abbott (1988). Invertebrates of the jarrah forest. In: (eds. B. Dell, J. Havel and N. Maluczek) **The Jarrah Forest. A Complex Mediterranean Ecosystem**. Kluwer Academic Publications, Dordrecht. 111-122. #BC8 ([PDF file available from Jonathan Majer](#))
- Majer, J. D. & P. Greenslade (1988). Soil and litter invertebrates. In: (ed. R. Specht) **Mediterranean-type Ecosystems: A Data Source Book**. Kluwer Academic Publications, Dordrecht. 197-226. #BC9 ([PDF file available from Jonathan Majer](#))
- Catling, P. C., P. H. Daget, B. J. Fox, P. Greenslade, J. D. Majer, G. Orsham, P. W. Rundell, R. L. Specht & W. E. Westman (1988). Climate, vegetation, vertebrates and soil/litter invertebrates of mediterranean-type ecosystems - data banks. In: (ed. R. Specht) **Mediterranean-type Ecosystems: A Data Source Book**. Kluwer Academic Publications, Dordrecht. 3-9. #BC10 ([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1989). Fauna and land reclamation technology - a review of the history and need for such studies. In: (ed. J. D. Majer) **Animals in Primary Succession. The Role of Fauna in Reclaimed Land**. Cambridge University Press, Cambridge. 5-33. #BC11 ([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1989). Long-term colonisation of fauna in reclaimed land. In: (ed. J. D. Majer) **Animals in Primary Succession. The Role of Fauna in Reclaimed Land**. Cambridge University Press, Cambridge. 143-174. #BC12 ([PDF file available from Jonathan Majer](#))
- Butcher, J., J. D. Majer & P. Unsworth (1989). Bibliography of fauna studies in reclaimed lands. In: (ed. J. D. Majer) **Animals in Primary Succession. The Role of Fauna in Reclaimed Land**. Cambridge University Press, Cambridge. 451-516. #BC13 ([PDF file available from Jonathan Majer](#))
- Nichols, O., J. D. Majer & B. J. Wykes (1989). The return of vertebrate and invertebrate fauna to bauxite mined areas in Australia. In: (ed. J. D. Majer) **Animals in Primary Succession. The Role of Fauna in Reclaimed Land**. Cambridge University Press, Cambridge. 397-422. #BC14 ([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1990). Rehabilitation of disturbed lands: long-term prospects for the recolonisation of fauna. In: (eds. D. Saunders, R. How & A. Hopkins) **Australian Ecosystems: 200 Years of Utilisation, Degradation and Reconstruction**. Blackwell, Melbourne. 509-519. #BC15 ([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1990). The role of ants in land reclamation seeding operations. In: (eds. R. K. Vander Meer, K. Jaffe & A. Cedeño) **Applied Myrmecology: a World Perspective**. Westview Press, Boulder. 544-554. #BC16 ([PDF file available from Jonathan Majer](#))
- Andersen, A. N. & J. D. Majer (1991). The structure and biogeography of rainforest ant communities in the Kimberley region of north-western Australia. In: (eds. N. L. McKenzie, R. B. Johnston & P. J. Kendrick) **Kimberley Rainforests**. Surrey Beatty and Sons, Sydney. 333-346. #BC17 ([PDF file available from Jonathan Majer](#))

- Keals, N. & J. D. Majer (1991). The conservation status of ant communities along the Wubin-Perenjori Corridor. In: (eds. D. A. Saunders & R. J. Hobbs) **Nature Conservation 2: The Role of Corridors**. Surrey Beatty and Sons, Sydney. 387-393. #BC18 ([PDF file available from Jonathan Majer](#))
- Kock de, A. E., J. H. Giliomee, K. L. Pringle & J. D. Majer (1992). The influence of fire, vegetation age and Argentine ants (*Iridomyrmex humilis*) on ant communities in Swartsboskloof. In: (eds. B. W. van Wilgen, D. M. Richardson, F. J. Kruger & H. J. van Hensbergen) **Fire in South African Mountain Fynbos**. Springer, Heidelberg. 203-215. #BC19 ([PDF file available from Jonathan Majer](#))
- Postle, A. C., J. D. Majer, & D. T. Bell (1991). A survey of selected soil and litter invertebrate species from the northern Jarrah (*Eucalyptus marginata*) forest of Western Australia, with particular reference to soil-type, stratum, seasonality and the conservation of forest fauna. In: (ed. D. Lunney) **Conservation of Australia's Forest Fauna**. Royal Zoological Society of NSW, Mosman. 193-203. #BC20 ([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1992). Comparison of the arboreal ant mosaic in Ghana, Brasil, Papua New Guinea and Australia - its structure and influence on ant diversity. In: (eds. J. LaSalle & I. Gauld) **Hymenoptera and Biodiversity**. CAB International, Wallingford. 115-141. #BC21 ([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1992). Maintaining and restoring diversity. In: (ed. R. J. Hobbs) **Function of Biodiversity in Mediterranean Ecosystems: An Australian Perspective**. Surrey Beatty and Sons, Chipping Norton. 169-191. #BC22 ([PDF file available from Jonathan Majer](#))
- Majer, J. D. (1994). Spread of Argentine ants (*Linepithema humile*) with special reference to Western Australia. In: (ed. D. Williams) **Exotic Ants: Biology, Impact and Control of Introduced Species**. Westview Press, Boulder. 163-173. #BC23 ([PDF file available from Jonathan Majer](#))
